

## **ANNUAL LUNCH 17 OCTOBER 2013**

### **Report by David Jones (Social Secretary)**

Prayers were answered. At the last minute there had to be a rearrangement of venue as the intended choice pulled out because of other problems. Not good news! However prayers were answered and fortune came our way in that South Lawn Hotel, Milford-on-Sea very willingly accommodated us at the same price, same choice of menu including a drink on arrival, glass of table wine plus coffee after the meal! What a relief for everyone who had booked in, over 70 of us in all! We were truly blessed!!

The nice atmosphere and the staff (catering and serving) all contributed to a very pleasant, enjoyable time. The venue will be considered again for such future events.

Chris Davidson proposed a toast to The Ladies and Linda Tibbitts very kindly replied.
