

**THE WAR HORSE at The Mayflower Theatre, Southampton  
Thursday 20 February 2014 (Matinee)**

**Report by David  
Jones (Social Secretary)**

**A group of 30 of us went into Southampton to see the stage performance of the highly acclaimed "War Horse". We were very moved by the show, the performance and story. About 40 actors were involved and the design and action of the War Horses was extraordinary and unbelievable. It all exceeded expectations and proved to be "a winner" on all counts. Full marks!**
