

MEMORIES OF OUR HOLIDAY IN NORTHUMBERLAND

23 OCTOBER, 2014

Report by Eric Davison

This was an opportunity for members and guests to share memories of the club's most enjoyable 6 day holiday in Northumberland the previous May. John Corfe prepared and presented a brilliant video with sound show for the 35 of us who attended at the Lymington Community Centre. Afternoon tea and cakes were enjoyed during the interval. The presentation reminded us of the wonderful places we visited including Newcastle, the Colliery Museum at Woodhorn, Ainwick Castle and Gardens, Craggside House, Bamburgh Castle, Lindisfarne, and Durham. Once again, we were able to thank David Jones for his excellent organisation before and during the holiday.
