

Squires and Spires - July 15th 2010

Visit report by Colin Wynn - Social Secretary

Stimulated by an excellent lecture from Carol Kitching, 30 members and their wives visited the Salisbury area with tours of the Cathedral and nearby Wilton House. Refreshed by coffee and a pastry in the Refectory, the group were guided through the Cathedral by Jack Leeming, a retired rector, RAF chaplain and President of a local Probus Club. Such qualifications ensured a detailed but humorous tour. After lunch, the party moved to Wilton House and enjoyed the superb house and garden in pleasant sunshine. A small group were guided around the House by Carol Kitching whose encyclopaedic knowledge and humour were a delight.
